

CHEMISTRY MINOR

Minimum courses required: 5

<u>Course requirements</u>	<u>Semester taken</u>
1. CHEM 153: Chemical Principles	_____
THREE chemistry courses:	
2. _____	_____
3. _____	_____
4. _____	_____
ONE 300-level course or above:	
5. _____	_____

(Please note that only 1 course can count toward **both** your major and your minor: therefore, biology majors must take 6 courses in order to have a chemistry minor.)
