

New Student Taxi Voucher Program for Off-Campus Medical Appointments

Public Safety and the Office of Health & Wellness are pleased to announce important changes to the student taxi voucher program.

As of October 13, 2009, the Taunton Checker Cab Company will replace Foxfield Taxi as the designated taxi company participating in the taxi voucher program.

Taxi vouchers are available to all students requiring transportation to off-campus medical appointments in the towns of Norton, Easton, Mansfield, Attleboro, North Attleboro and Taunton. **ADD...private car, friends**

Vouchers are no longer available from the taxi drivers. You must obtain a signed taxi voucher from either the Public Safety Office (open 24/7) or from Cynthia Maricle, Student Health Services Coordinator at Norton Medical Center, during regular business hours.

To reserve a taxi and take advantage of the voucher program, call Taunton Checker Cab Co. at 508-822-7313 and identify yourself as a Wheaton student.

Present the signed taxi voucher and your Wheaton ID to the driver at the time of pick-up. The college will then reimburse the Taunton Checker Cab Company the cost of your fare.

If you have any questions or concerns please contact Cynthia Maricle, Student Health Services Coordinator, at maricle_cynthia@wheatonma.edu or x8210.
