The submission of standardized test results is optional for the purpose of admission. If you wish to have your scores considered, it is your responsibility to have an official score report from the appropriate testing agency (i.e., The College Board or ACT) sent to the Wheaton College Office of Admission in advance of the application deadline.

Do you wish to have your standardized test scores considered for admission? yes no

If you do not check either box, your scores *will* be considered.

Non-native English speakers note: Official IELTS or TOEFL scores are required of all students for whom English is not the first language.

Optional Academic Writing Sample

A copy of an analytical or research-based writing sample from an English, social studies, humanities or natural science class often is helpful to the Admission Committee in its review of candidates. Therefore, we encourage you to submit a graded paper of no more than five pages written in the last year. International students who wish to submit a paper, but who do not have one written in English, may translate the original from their native language into English.

Wheaton Honor Code. A distinctive feature of the Wheaton community is the Wheaton Honor Code, established in 1921. This system of self-governance requires not only academic and social integrity, but the responsibility of all community members to uphold the honor system. The Honor Code states:

As members of the Wheaton community, we commit ourselves to act honestly, responsibly, and above all, with honor and integrity in all areas of campus life. We are accountable for all that we say and write. We are responsible for the academic integrity of our work. We pledge that we will not misrepresent our work nor give or receive unauthorized aid. We commit ourselves to behave in a manner which demonstrates concern for the personal dignity, rights and freedoms of all members of the community. We are respectful of college property and the property of others. We will not tolerate a lack of respect for these values.

I accept responsibility to maintain the Honor Code at all times.
