Health History

Norton Medical Center Registration/Insurance Information

By law, your health insurance coverage must be comparable to the health insurance plan offered by Wheaton College. Certain health insurance plans, such as out-of-state Medicaid and several other out-of-state policies (e.g., Kaiser) as well as international plans not headquartered in the US, do not provide comparable coverage. If you belong to such a plan, Massachusetts law requires your participation in the health insurance plan offered by the college. To assist you in comparing health insurance plans, the Wheaton Health Insurance brochure is available online at [gallagherkosterweb.com](http://gallagherkosterweb.com) where you will also find the on-line Wheaton Health Insurance waiver form.

*If you belong to an HMO, international, or out-of-state health insurance plan,  
contact your insurance company and confirm that your plan provides coverage for*

- Lab services
