

MATHEMATICS

(Students who entered Wheaton prior to Fall 2015)

Minimum courses required: 11

The department recommends that the **first five courses** be completed by the end of the second year.

For those students who place out of Calculus, the major consists of a minimum of 10 courses.

To major in mathematics, students must achieve at least a **C+ average** in Math 101 and Math 104.

No course used to fulfill the major requirements may be taken on a pass/fail basis.

Students who are considering attending graduate school in mathematics should take both Math 301: Real Analysis and Math 321: Abstract Algebra.

<u>Course requirement</u>	<u>Semester Taken</u>
1. MATH 101: Calculus I	_____
2. MATH 104: Calculus II	_____
3. MATH 211: Discrete Mathematics	_____
4. MATH 221: Linear Algebra	_____
 ONE of the following courses: MATH 301: Real Analysis MATH 321: Abstract Algebra	
5. _____	_____
 THREE courses at the 200-level or above (COMP 115 may substitute for one of these):	
6. _____	_____
7. _____	_____
8. _____	_____
 TWO courses at the 300-level:	
9. _____	_____
10. _____	_____
11. MATH 401: Senior Seminar	_____
