

Dependent Student Verification Worksheet 2019-2020

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal law states that before disbursing Federal Student Aid, we are required to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this verification worksheet along with any other required documentation. If there are differences, your FAFSA may need to be corrected. You and a parent, whose information was reported on the FAFSA must complete and sign this verification worksheet, attach any required documents, and submit all materials to Student Financial Services.

Complete all sections of this form. Please pay careful attention to the instructions provided in each section. Once complete, please submit this form to Student Financial Services as soon as possible, so that disbursement of your financial aid will not be delayed.

SECTION III: TAX AND INCOME

If you filed a 2017 Federal Tax Return (form 1040, 1040A, or 1040EZ), you are required to either use the IRS Data Retrieval Tool (IRS DRT) or submit a 2017 IRS Tax Return Transcript to complete verification.

The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of the FAFSA at <https://fafsa.ed.gov>.

If you are unable to use the IRS Data Retrieval Tool (IRS DRT), you must submit a copy of your 2017 IRS Tax Return Transcript to our office. **Please note: a copy of your 2017 federal tax return is not sufficient documentation for the purposes of verification.** To obtain an IRS Tax Return Transcript, go to <https://www.irs.gov/individuals/get-transcript> or call 1(800) 908-9946 to request a transcript by phone. Make sure you order the "IRS Tax Return Transcript" and not the "Tax Account Transcript". You will need your social security number, date of birth, and the address on file with the IRS (usually the address used when the 2017 federal tax return was filed). If you request the Tax Return Transcript online you will receive it immediately. If you request it by mail allow 5 to 10 calendar days for delivery. Do not request that the IRS send your transcript to our office as due to redaction we will not be able to identify that it belongs to you. The main phone number for the IRS is 1(800) 829-1040.

You must check only one for parent(s) and one for student:	Custodial Parent(s)	Student
