IPhone install for CoVerified:

Please note this is an example install from a single IPhone, your screens may look slightly different.

IMPORTANT - faculty, staff, and students. You will need to have your Wheaton email account set up on your phone in the proper format lastname_firstname@wheatoncollege.edu (this is a Gmail account).

To begin, follow these steps:

1. Launch the App Store and search for CoVerified

2. Tap “Get” to install (you might have to enter your AppleID)
3. Once installed tap the icon to launch CoVerified
4. On the initial screen tap “Get Started”
5. Tap “Continue” when prompted that CoVerified wants to use auth0.com to Sign In

6. Tap “Continue” again on the next screen

7. You will be taken to a page where you should put in your Wheaton email address

8. On the next screen you will be redirected to login to Gmail

9. Please choose your Wheaton Gmail account and login
10. Once logged in, tap to agree to the Terms of Use and tap “Next”
