Cape Cod:
Driving Directions:
Take 123 East to 495 South to Route 25. You will cross the Bourne Bridge (which spans the Cape Cod Canal). From the rotary, take Route 28 if you are headed to the Upper Cape; or connect with U.S. 6 (or 6A for scenic drive) and follow signs for all other destinations.

Travel Note:
On summer weekends, traffic to the Cape may be backed up more than an hour at the Bourne and Sagamore Bridges that span the Cape Cod Canal. In the summer, all major roads are heavily congested eastbound on Friday nights and westbound on Sunday afternoons.
