Noncustodial Parent Waiver Request 2022-2023

Wheaton requires financial information from both biological and adoptive parent(s) in order to determine eligibility for need-based institutional aid. In the situation where it is impossible to obtain information from a noncustodial parent, a waiver maybe requested. Please note that a noncustodial parent’s unwillingness to provide his/her financial information is not sufficient reason for a waiver of the noncustodial parent’s information.

In addition to completing the Waiver Request Form, the student must also provide third party documentation in order for the waiver to be considered. Third party documentation cannot be provided by a friend or family member. A letter should be written by a clergy member, social worker, school guidance counselor, etc., someone who has personal knowledge of the family’s situation and can verify the circumstances. The letter should indicate how long the professional has known the family and their relationship to the family. It should be written on letterhead and signed.
