

# Payment Worksheet for 2022–2023

## Anticipated charges

(Add the amounts in each column to determine total anticipated charges before aid.)

	Fall semester	Spring semester	Full year
Tuition	29,875	29,875	59,750
Student activity fee	240	240	480
Room*	3,925	3,925	7,850
Board (meal plan)*	3,475	3,475	6,950
Technology fee	108	108	216
Health insurance† (see below)			
<i>Total anticipated charges (before aid)</i>			

\* Room and board may be removed if you are not living on campus and not choosing the meal plan.

† Health Insurance coverage is required by the Commonwealth of Massachusetts. Students can waive the Wheaton health plan option if they have comparable health insurance, such as through a parent. Only include this cost (estimated \$3,000 for the year, and only charged in the fall semester), if you plan on using the Wheaton health plan option. Otherwise, leave blank if using your own insurance.

## Anticipated credits

(Use the information from your Financial Aid package and other aid sources to populate this section and add the amounts in each column to determine total anticipated credits.)

	Fall semester	Spring semester	Full year
Paid enrollment deposit	400	-	400
Wheaton scholarships and grants			
Federal or state scholarships and grants (e.g. Pell Grant)			
Outside scholarships and grants			
Loans (federal and private)			
<i>Total anticipated credits (aid)</i>			

## Anticipated balance due to college

	Fall semester	Spring semester	Full year
Anticipated Charges minus Anticipated Credits			

**Important note:** If you opt to use a payment plan, they are processed on a semester basis. Educational loans are processed on a full academic year basis, so please plan to request the amount you need for the full academic year (fall plus spring semesters) on any loan application(s). This document is intended to assist in financial planning only. Additional fees may apply (e.g. course overloads, program fees, parking fees, etc.).
